2. REQUISITIONING TELEPHONE SERVICE AND CHANGES THEREIN

In order to expedite telephone installations and insure accuracy of mail and telephone information, it is essential that all listing information be supplied at the time requisitions for new, changed or discontinued service are issued.

The forms to be used for supplying the Communications Services with the above are AD 7 and AD 8 "Telephone Directory Information." These forms should be properly prepared and attached to Form AD 288 "Requisition for Telephone Service," and forwarded to the Communications Services.

3. WHEN MAKING CALLS

Obtain the correct number from the directory before dialing.

Do not dial until you hear the dial tone, a steady

humming sound.

Turn the dial until your finger reaches the finger stop, then release. Do not try to accelerate dial return or wrong numbers will result.

If you make a mistake when dialing, hang up the

receiver a few seconds and begin again.

If the number dialed is busy, a rapid intermittent sound will be heard. Hang up the receiver, wait a reasonable time and dial again.

If the number dialed is not busy, a slow intermittent sound will indicate that the number is being rung.

*4. CALLS TO AGRICULTURAL RESEARCH CENTER AND BUREAU OF PLANT INDUSTRY, SOILS AND AGRICULTURAL ENGINEERING

Dial the Code Number 82 to reach employees located at the "Center."

Dial the Code Number 85 to reach employees located at the Bureau of Plant Industry, Soils and Agricultural Engineering.

When an operator answers, give the extension number, or the name of the person desired.

USE PAY TELEPHONES FOR PERSONAL CALLS

5. CALLS TO OTHER GOVERNMENT DEPARTMENTS

Do not call other Government departments or agencies by their Central Office number.

Direct dial tie lines to Government departments is provided thru the automatic Government dial system.

A list of Government organizations is shown on the back cover page of this directory, together with their respective code numbers. Codes for Agencies that are not listed can be obtained by dialing INFORMATION 3131.

If a listed code has been disconnected a soft intermittent buzz will be heard.

6. CALLS TO OUTSIDE NUMBERS

EXAMPLE: Call to District 6713.

Remove receiver and listen for dial tone. Dial the figure "9" and listen for second dial tone; then dial the first two letters of the Central Office name, and all of the numbers following. If you receive the "busy" signal, hang up for a short interval and dial again.

7. SIGNALLING THE OPERATOR TO TRANSFER CALLS

Calls originating on dial equipment in the Department of Agriculture cannot be transferred by the operators. On incoming central office calls and other calls handled by the operator, you may signal the operator to transfer the call to another telephone or for any purpose by moving receiver hook slowly up and down.

8. RESPONSIBILITY FOR HANDLING PUBLIC AND CONGRESSIONAL INQUIRIES SECRETARY'S MEMORANDUM NO. 1201

This Memorandum is issued for the purpose of incorporating in the written rules what has long been the unwritten policy of the Department, namely, that it is the responsibility of employees of the Department to handle inquiries promptly, courteously, and with as little inconvenience as possible to the person making the inquiry. This is part of our obligation as public servants.

1. PUBLIC INQUIRIES

When a member of the public asks an employee for information which is not within his area of responsibility, he should arrange to put the inquirer in touch with the proper person in the Department with as little delay as possible. If the employee does not know who this is, he should, as a rule, check by telephone until he is sure that he is referring the inquirer to the proper person. In Washington, the Information and Publications Desk maintained by the Office of Information in the Patio of the Administration Building, extension 2791, is responsible for handling subject-matter inquiries, whether by telephone or in person, when there is doubt as to where the inquirer should be referred, and such inquiries may properly be referred to this Desk.

The important thing is that employees must be ready to go out of their way to put persons making inquiries directly in touch with the proper employee, whether in the same or another agency of the Department. We should remember that members of the public usually are not familiar with the organization of the Department and that it may be very difficult for them to find unaided the persons who can answer their questions. People very commonly form an opinion as to whether or not the Department is an efficient organization from the way in which their inquiries are handled.

2. CONGRESSIONAL INQUIRIES

Congressional inquiries should be handled with all possible dispatch. Heads of organizational units throughout the Department are responsible for seeing that such inquiries are taken care of without delay.

If a member of the Department receives a Congressional telephone call which is not within his area of responsibility but which can be answered by someone within his agency, he should make sure that this is the case and arrange to have this person return the call immediately or, if he is out and cannot be located at once, for his office to advise the Congressman's office of this fact. Congressional calls should not be transferred without making sure that the person to whom the call is referred is in fact the proper person to answer the call. Such calls should either be answered or acknowledged immediately.

When a Congressional call in Washington cannot be handled in this way, the person receiving the call may say that he will arrange to have the proper person call back and may then ask the Congressional Unit, Inquiries and Distribution Service, Office of Information, extensions 3365 and 4303, to arrange to have the proper person return the call or for his office to acknowledge the call at once if he is out and cannot be located. If the call relates to proposed legislation, the matter should be referred to the Division of the Legislative Reports, Office of Budget and Finance, extension 4654, rather than to the Congressional Unit of the Inquiries and Distribution Service.

Secretary
